

## Behavioral health care *simplified from end to end*

Through flexible solution offerings, our services wrap around your existing resources and are packaged under your brand to provide a seamless member experience.

### Navigate & Connect

Our tech-enabled front door to faster care navigation.

### Network Enhancement

Our technology amplifies your network through recruitment, management and measurement-based outcomes.

### Utilization Management

Our specialized clinical services ensure that care is clinically appropriate, evidence-based and cost-effective.

### Care Management

Our care managers integrate whole-person care through post-discharge follow-up, complex condition management and care coordination.

### Autism Resource Program

Our Autism Resource Program collaborates directly with family members, providers and health plans.

### Substance Use Disorder

Our specialized clinicians assess risk and provide educational resources to triage members to the right provider.

### 24/7 Crisis Support

Our clinicians offer evaluation and crisis intervention triage to network providers and digital resources across the continuum of care.

# Align and amplify your behavioral health ecosystem

## Improved Access

Consolidate all in-network providers to match member needs to provider availability in real time.

## Faster Care

Connect all members to clinically appropriate treatment based on acuity and preferences in as little as one day.

## Better Outcomes

Leverage our proprietary Behavioral Health Index (BHI®), an acuity index registered with the Joint Commission, for measurable population insights.

### Our Results

## Immediate impact on access

-  46% reduction in ER visits
-  32% fewer inpatient admissions
-  2:1 provider capacity
-  27% decrease in readmission rates for SUD
-  Under 30 seconds avg. speed to answer crisis calls
-  22M+ covered lives in all 50 states
-  \$227 PMPM reduction in total medical expense with care navigation

## ◆ Improved Access. Faster Care. Better Outcomes.

Enhance your behavioral health ecosystem with Lucet, the only end-to-end solution enabling member connection to care across acuity through tailored patient-provider matching.

Let's better behavioral health, together.
